

Shen Zhen Long Hung Titanium Strengthens Global Position as a Leading Precision Parts Manufacturer

Shen Zhen Long Hung Titanium Ltd., a premier **Precision Parts Manufacturer**, proudly reaffirms its steadfast commitment to innovation, quality, and global service excellence. Since its founding in 2013, the company has become synonymous with advanced **precision parts** and titanium fasteners tailored across diverse high-demand industries.

Delivering Unrivalled Precision & Expertise

At the heart of Shen Zhen Long Hung Titanium Ltd.'s success lies its meticulous craftsmanship in producing precision-engineered components. With over a decade of expertise in titanium fasteners and precision metal processing, the company stands out as a trusted [precision parts manufacturer](#) in the global market.

State-of-the-Art Manufacturing Capabilities

Equipped with CNC lathes, CNC milling machines, precision automatic lathes, EDM machines, thread-rolling and heading machines, Shen Zhen Long Hung operates a production environment designed for maximum accuracy and efficiency. Complementing these are high-precision inspection tools—micrometers, calipers, CMM, surface roughness testers, spectrometers—ensuring every component meets the highest standards.

Customized Solutions for Diverse Industries

As a sophisticated [precision parts manufacturer](#), Shen Zhen Long Hung delivers a robust product lineup, including titanium bolts, screws, nuts, washers, and GR5 components—each customizable to clients' unique requirements.

These precision components are crafted to serve industries where performance and reliability are paramount—ranging from medical devices and aerospace hardware to automotive systems and marine applications.

Quality Assurance & Global Reach

Embracing a business philosophy rooted in "integrity-based, quality first," the company has earned international recognition. Its Hong Kong branch, established in 2017, further strengthens its global supply chain, ensuring efficient delivery and support worldwide.

Why Choose Shen Zhen Long Hung Titanium Ltd. as Your Precision Parts Manufacturer?

- **Deep Expertise** – Over 10 years of titanium fastener and precision metal fabrication experience.
- **Advanced Production** – State-of-the-art machinery and stringent quality checks for parts that meet exacting industry standards.
- **Fully Customizable** – Flexible offerings to match client-specific needs—sizes, standards, and configurations.
- **Global Logistics** – Efficient operations with dual hubs in Shenzhen and Hong Kong, ensuring swift global service.

About Shen Zhen Long Hung Titanium Ltd.
