

LAWSON AUTOTECH

**Expert Technicians
Optimum Driving**

PROFESSIONAL CAR MECHANICS

We are a family run business that has been in the motor trade since 1983.

We aim to provide an excellent standard of service for all customers at all times.

Whether you own a light commercial vehicle, a brand new car, or a very old car we can help you keep your car on the road legally and safely.

MOT Testers
HEVRA-Approved
DPF Doctor Accredited Members

OUR SERVICES

We offer a wide range of services that will help keep your vehicle on the road legally and performing at its best.

VEHICLES

Our services are available for cars, vans, motorhomes, hybrid vehicles and electric vehicles.

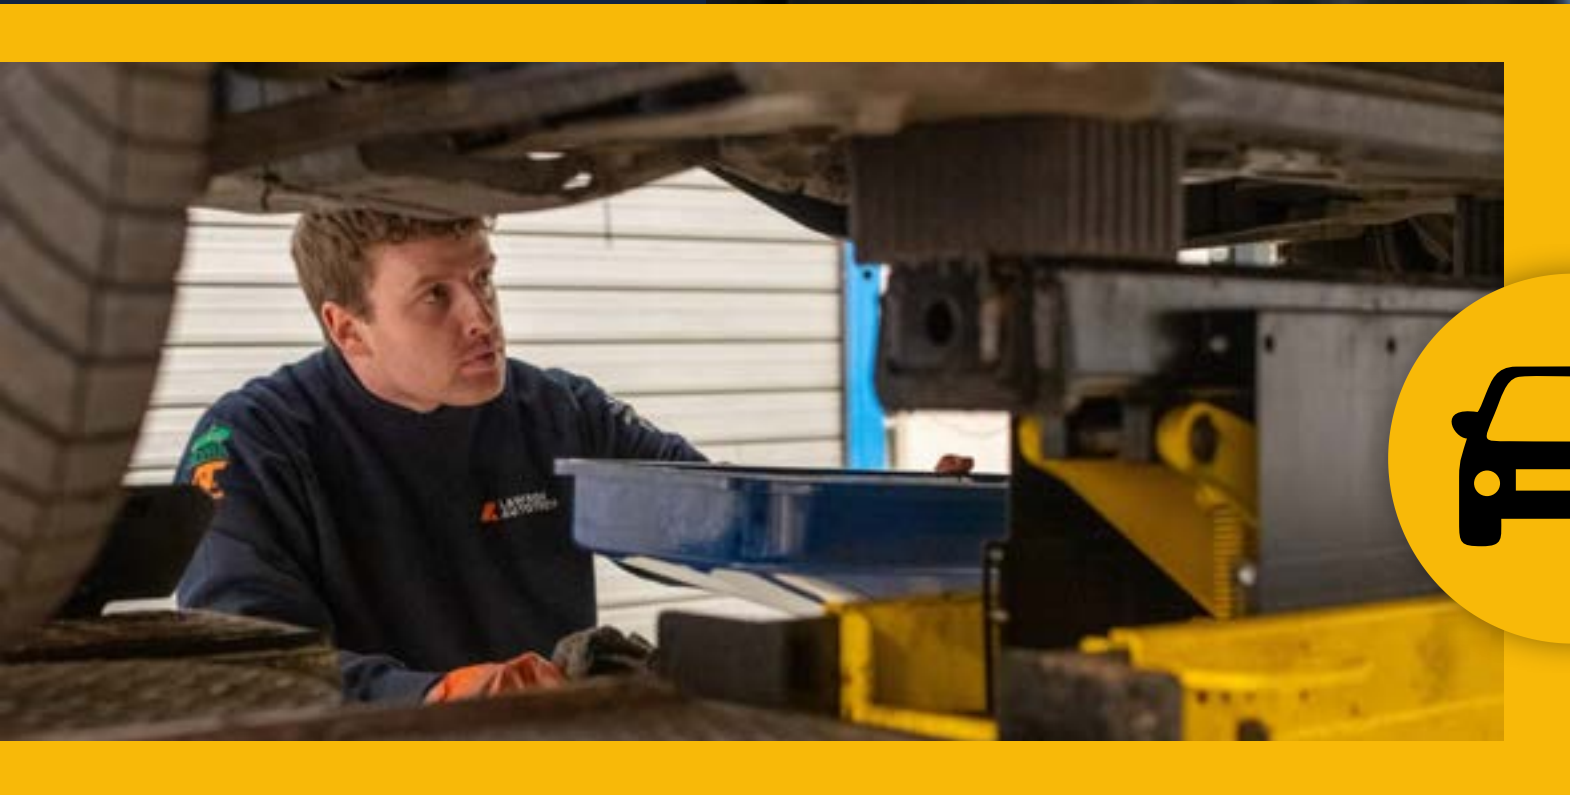

SERVICE

We are dedicated to offering our customers a service that is second to none in Larbert and throughout the Falkirk area.

BOOKING

We want to make it as simple as possible for customers to book their car in. You can phone, email, complete our contact form or use our online booking system.

CAR SERVICING

- Have your car serviced by a knowledgeable expert to the highest standard.
- A well maintained vehicle will give you more peace of mind, providing comfort and durability. Regular car servicing is necessary to maintain a high level of efficiency in your vehicle, allowing it to run at its best.
- We'll service your vehicle using only high quality parts and equipment by our expertly trained car mechanics, for a service you can trust.

MOT TEST CENTRE

By law, it is mandatory that all vehicles over 3 years old must possess a valid MOT test certificate.

We carry out MOT Tests for cars, light commercial vehicles, hybrid vehicles and electric vehicles.

VEHICLE REPAIRS

CAR REPAIRS

We can repair all types of cars including old cars, new high-performance cars, hybrid and electric cars.

VAN REPAIRS

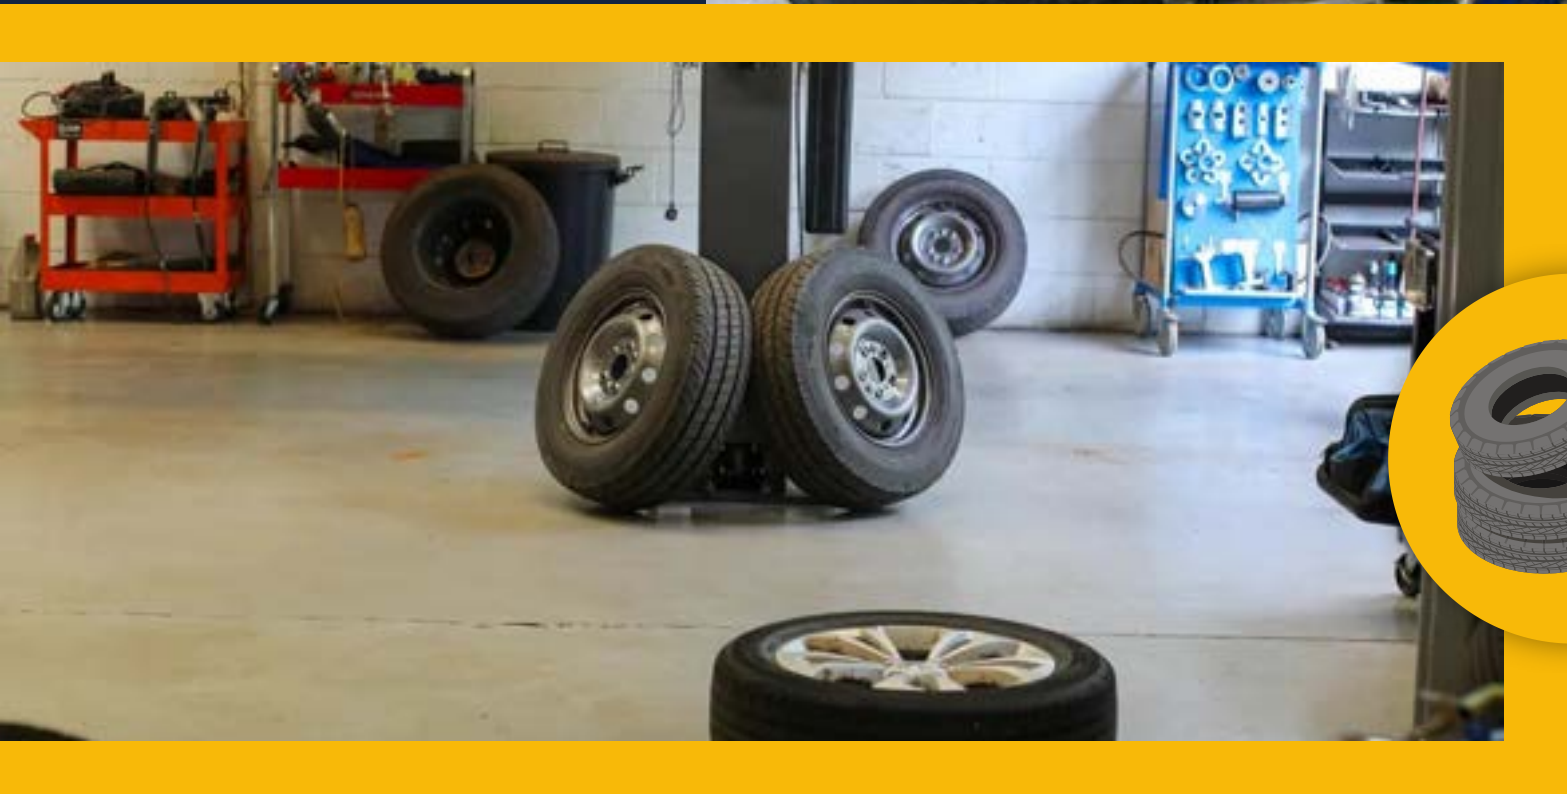

We know how important your van is to your business so we will get it repaired and back on the road as quickly as possible.

REPAIRS AND REPLACEMENTS

Our mechanics have the skills and experience to repair your vehicle.

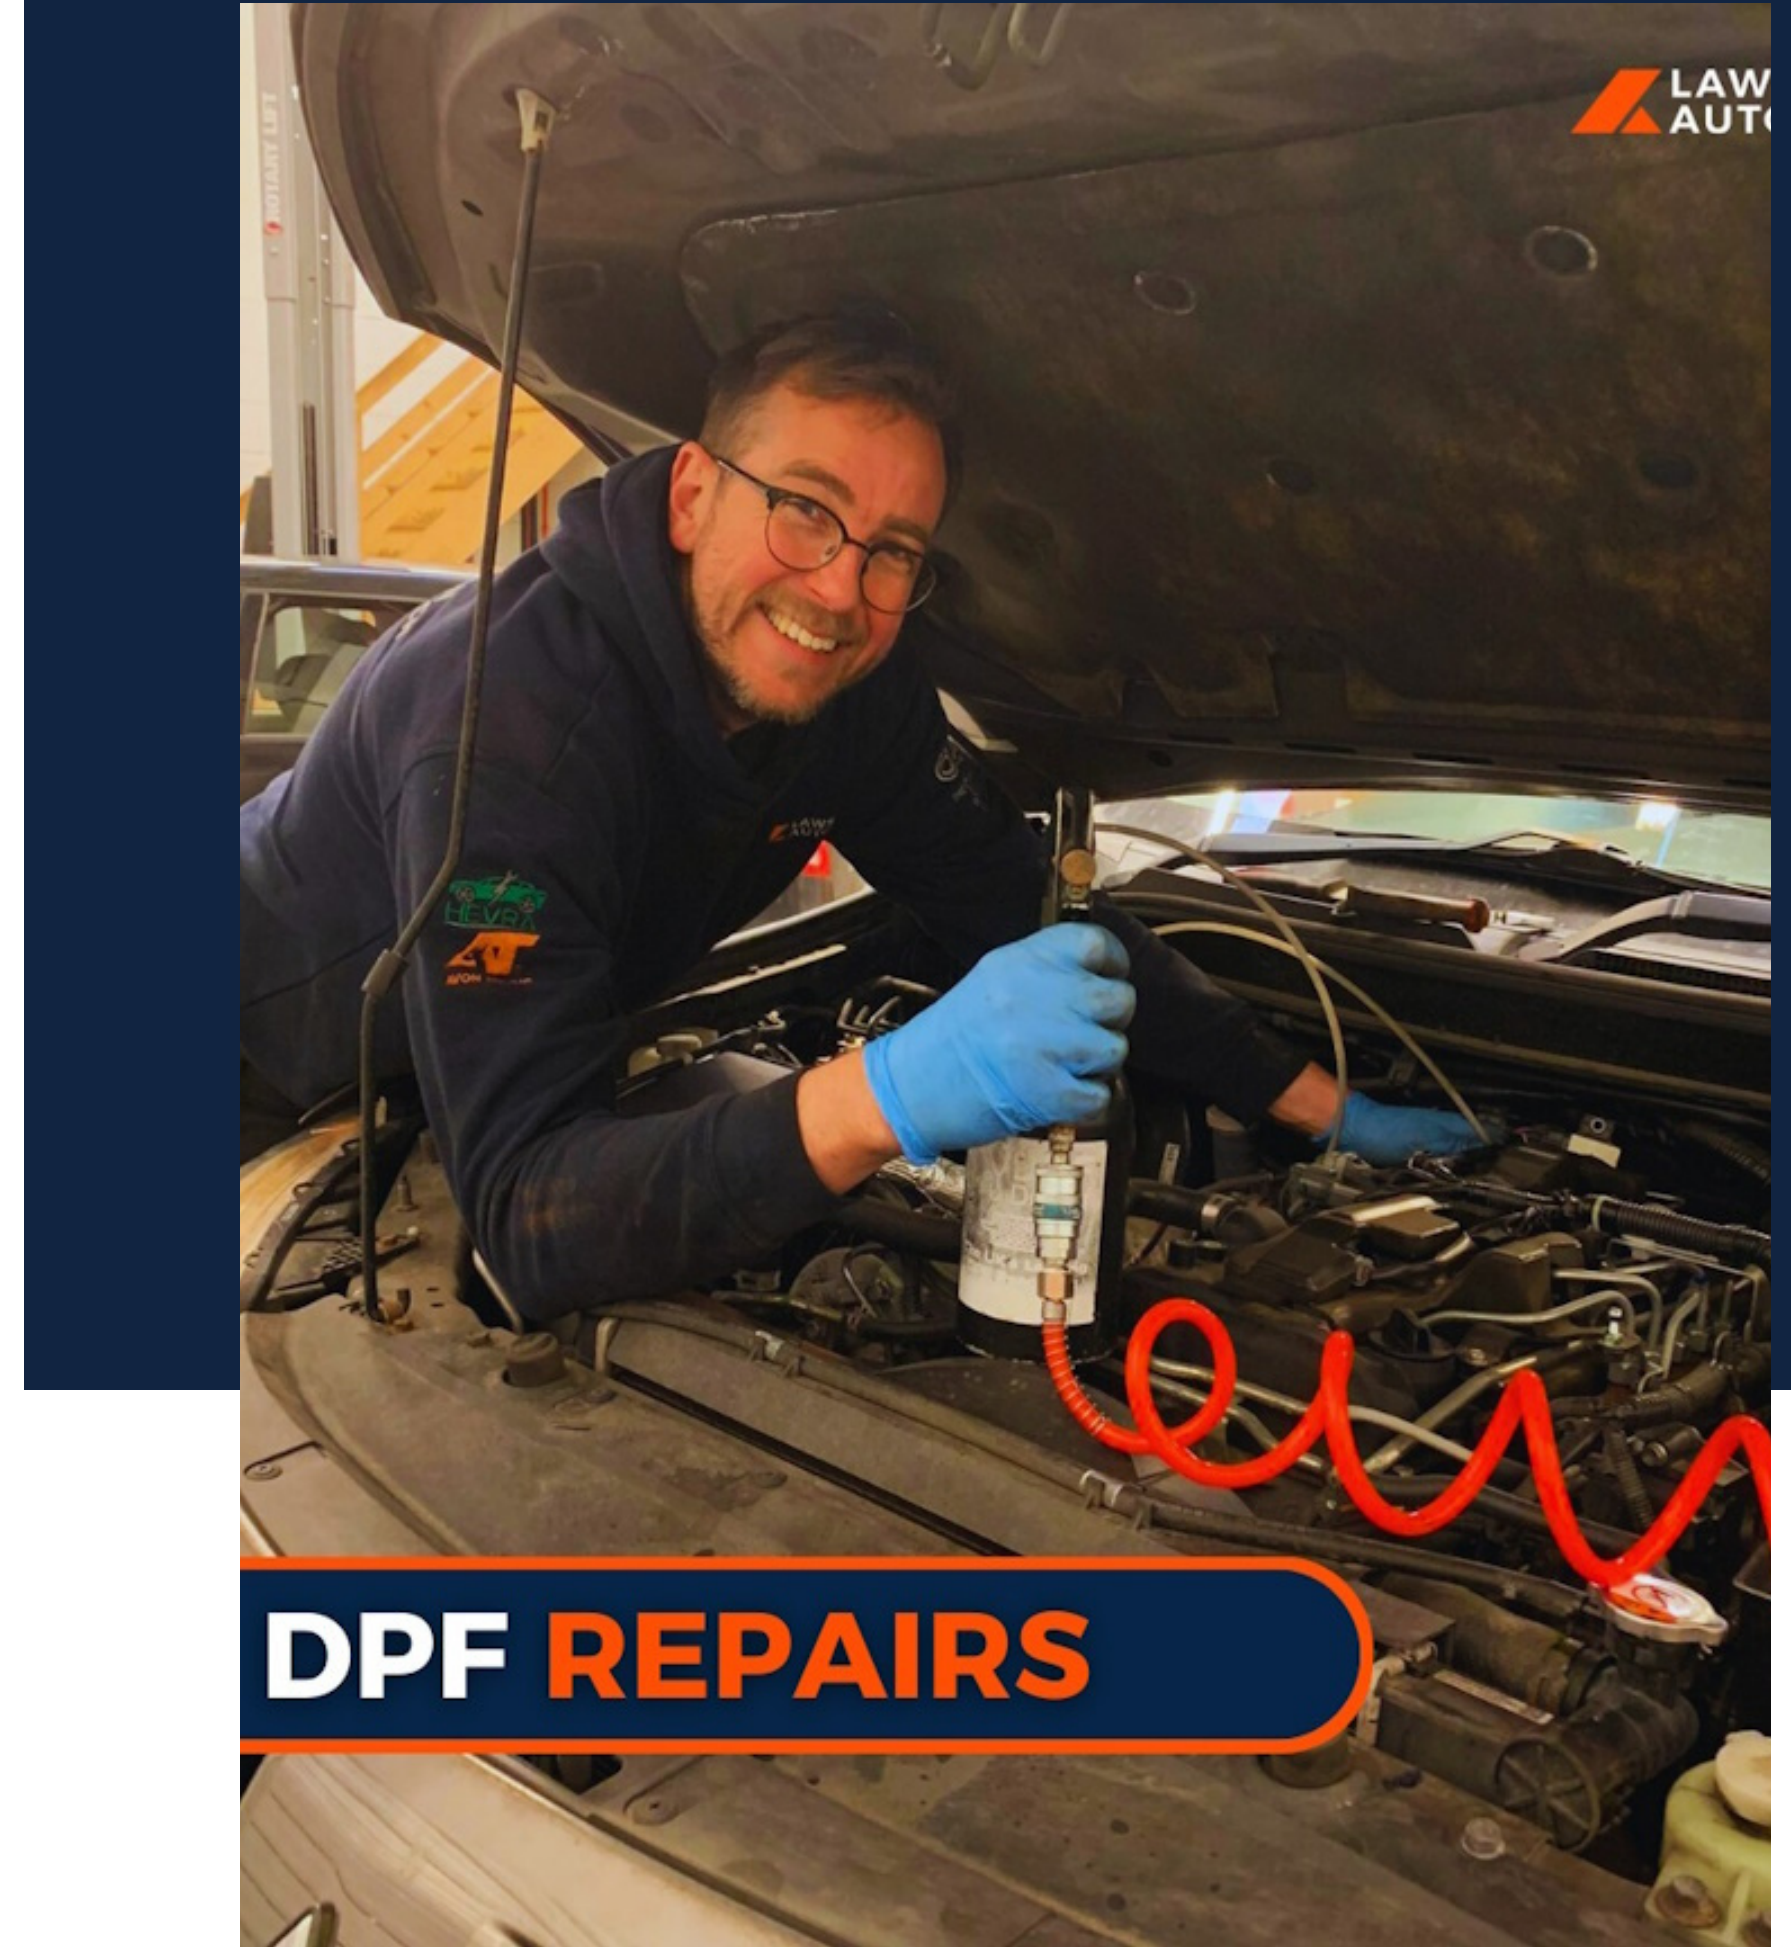

NEW CAR TYRES

- Same day fitting available.
- We supply and fit budget, mid-range and premium tyres in any size for cars and vans.
- We can also provide alignment and balancing.

DPF CLEANING AND REPAIRS

- DPF faults are quite common and often indicative of underlying problems.
- We will diagnose any faults before proceeding with a DPF clean to prevent the issue from recurring.
- We are Accredited Members of the DPF Doctor network.

EXHAUST REPAIRS

EXHAUST REPAIRS & REPLACEMENT CENTRE IN LARBERT

At Lawson AutoTech we specialise in exhausts, including catalytic converters, for all makes of car. We can replace any part of the system to ensure you benefit from improved sound and reduced emissions.

CAR AIR CONDITIONING REFILLS & REPAIRS

AIR CON SERVICING

Car manufacturers all over the world recommend servicing your air con every 2 years.

The first sign that your AC is on its way out is that the air coming out of the vents feels lukewarm.

CAR BRAKE REPAIRS & REPLACEMENTS

We can:

- Check the performance of your brakes.
- Replace brakes.
- Carry out brake system overhauls.
- Brake repairs
